Dear Parents/Guardians,

Camp is one week away, therefore please be reminded of the following.

On **Wednesday the 7th of February**, all children **must be at school by 8.30am** as we leaving at **9:00am**. Students are to assemble in the amphitheatre, where the roll will be marked prior to leaving for camp.

Students will be **returning to school by 3:30 pm Friday the 9th February**.

All children need to **bring a snack and lunch on the first day**. This should be packed in named reusable bags. For safety reasons glass bottles are not permitted.

Money and electronic devices, such as mobile phones, electronic games, iPods etc, are **not** permitted on camp, however if you would like to bring a disposable camera, that is fine.

Pillows are supplied, unless you would prefer to bring your own. Pillow cases are NOT supplied.

It is vitally important for your child to have the correct equipment and clothing for camp. **Remember to label ALL items.** The bus company has requested, due to limited luggage space, that bags must be soft sided – Not suitcases. Please also keep sleeping bags separate and ensure name is clearly visible.

All medication required by your child should be clearly labelled with the child's name, dosage and frequency required. This is to be given to Simon Presljak on the day of departure to camp. Please also provide a medicine cup and spoon if required.
