Dear Parents of children in FB, 1A, 3/4C and 3/4A

We would like the children to have their hair done in particular ways for the concert.

The Children in FB are dressing as 1950s characters. The girl’s hair (if possible) should be in a ponytail. The boy’s hair can be slicked back.

In 1A the children are dressing up as skeletons. We would like parents to face paint the kids as skeletons if possible. Also please note that the black clothing you have brought in will be decorated. Let me know if this is a problem.
3/4A (except the aliens) will be dressed as space explorers. We would like their hair to be sprayed silver and some have dark heavy eyebrows

The students in 3/4C will be dressed as futuristic dancers. We would like their hair to be sprayed blue.

Also, 3/4 C & A parents need to supply silver long gloves for their costume too!

Any problems, contact me at sharpe.stephen.s@edumail.vic.gov.au

Thank you
Stephen Sharpe
