D1UNO CAFÉ & CATERING
Qkr lunch order

To Whom It May Concern,

We have made some changes to the prices for the lunch orders on the Qkr app. An increase by 10% has been placed on some food items due to a price increase from our suppliers since mid-year 2017.

Additionally a few things have come to our attention last year from the parents about our food products. Some members of your school community avoid eating animal products for health, ethical, and religious concerns, as well as for taste preferences. We would like to address a few of their concerns and if you may pass it on to the parents.

1. Our meat is all Halal.
2. Our Chicken & Eggs are Free Range.
3. Our falafels are cooked in separate oil to our meat products (to maintain the vegetarian standard)
4. Cheeseburgers contain Cheese & Tomato sauce unless otherwise noted by parent.
