FROM THE PRINCIPAL

SCHOOL CONCERT
Last night’s school concert was a great success on many levels and an evening I was proud to attend and thoroughly enjoyed. Congratulations to all the students, parents and teachers who contributed to this event. A lot of time, energy and creativity was channelled towards this successful evening. Of course a very special thanks to Stephen Sharpe our Music teacher who was the driver of this event. There were too many highlights from last night to mention and there were many students who shone and really surprised us and their families. The opportunity to perform in a concert at this venue is a valuable one for our students and one they will remember for a very long time.

Once again congratulations and thank you to everybody involved.

FATHER’S DAY STALL
I have heard that a lot of dads were thrilled with the gifts they received from our Father’s day stall last week. My dad missed out this year as I was not at school on Thursday. Thank you to the mums who organised and put together the gifts for this stall. The children get obvious pleasure from shopping for their gifts and surprising their dads.

KIDS KITCHEN
The renovations to transform the canteen into a kid’s kitchen will commence this Sunday. We have had the project quoted in 3 stages and will be completing the first 2 stages in the next 2 weeks. The funding for this project has come from the collection of donations on the gate at our Farmer’s Market. The renovations will create a space that can still be used as a canteen but will also be suitable for groups of children to cook in and our Parents and Friends to use as a meeting space.

ASSISTANT PRINCIPAL APPOINTMENT
I would like to announce to the school community that Kyla Mamic the Leading Teacher at Coburg North Primary was the successful applicant in our Assistant Principal Selection process. There was a lot of interest in this position with 25 people applying. I would like to thank the panel: Blair Hocking (school council president), Tony Privitelli (Principal Moomba Park Primary), Tim Prendergast (staff representative) and myself for the long hours and careful consideration they put into this process. Congratulations to Kyla who will be commencing in this position in 2015.

Helen Zull
2014 NAPLAN RESULTS

Parents of Gr 3 & Gr 5 students are asked to collect them from the school office. Thank you

Footy Colours Day

It’s that time of the year again, where a school term comes to a close and children get a chance to wear their favourite footy team colours (e.g. AFL, NRL, and VFL, soccer or other local football clubs). This day will be an out of school uniform day, where students can wear their team colours and no gold coin donation will be required. So join in the fun on 20th of September with the chance to participate in a footy day parade and other sporting activities.

BOOTS FOR KIDS

Another big thank you to the family of Sophie Gr 6 and Juliet Gr1 for their generous donation of new footy boots for the remote indigenous community.

Father’s Day Breakfast

On Tuesday, September 3rd, the Prep students celebrated Father’s Day by having their dads come to school for breakfast. We were happy to see many dads attend and other family members filling in for dad.

There was toast with jam, honey or Vegemite. Most of the Dads accompanied their toast with a cup of tea or coffee. There were lots of funny songs and stories about ‘Dads’.

Thanks to all who attended and made the time to support this event. We hope you like your card, placemat and ‘hug hands’.
Ciao a tutti,

Andiamo al mercato!
(Let’s go to the market).

This term students in Grades 3 - 6 have been studying the topic “gardens and food”. Students have been looking at what grows in the garden and what you can buy from the market.

Grade 3, 4 and 5 students brought some vegetables and fruit to school and used them in our market role plays. They practised buying items from the market.

“Cosa desidera?” – What would you like?

“Vorrei una mela rossa per favore” – I would like a red apple please.

“Vorrei quattro carote per favore” – I would like 4 carrots please.

“Vorrei tre pere per favore.” – I would like 3 pears please.

“Vorrei un chilo di patate per favore” – I would like a kilo of potatoes please.

We have also been singing one of our favorite songs: “Ci vuole un fiore” – https://www.youtube.com/watch?v=mQNMTKF9zsw

A presto!

signora Jackie
COBURG NORTH PRIMARY SCHOOL

WILL BE HOLDING AN ART SHOW ON

FRIDAY 24\textsuperscript{TH} OCTOBER, 2014.

This will be a showcase of the year’s work in Visual Art and all students will have several art works on display. We are also hoping to include a school community section where we hope parents, friends etc. will exhibit any works of art, of which they are particularly proud. Now is the time to start creating! Early in Term 3 we will be asking for expressions of interest for exhibiting in the community section of the show. More information about the show will be provided in the coming weeks.
