WELCOME BACK
Welcome to the 2016 school year. We have had a very smooth start to the year with all students (and teachers) settling back into routine. Our 80 new Foundation students commenced on Monday without any tears from children or parents. The transition program at the end of term 4 seems to be very effective and our new students are feeling comfortable in their new environment. I would like to welcome all our new families and encourage them to join in to Coburg North school life and events.

WELCOME TO OUR NEW TEACHERS IN 2016
My name is Ms Laura and I am the new Foundation B teacher at Coburg North Primary School. This is my first year teaching full time after graduating from the Masters of Teaching at Melbourne University last year. I’m looking forward to being a part of the school community and meeting all the students and parents, please feel free to come and introduce yourself and say hi!

Hello there! My name is Simon and I am new to Coburg North PS. I was previously teaching in South Morang for a number of years, in the Prep, Year Three and Year Four cohorts. I am super excited to be at Coburg North and teaching the 3/4s this year. I am sure that teachers and students alike will have a fun year together! I am looking forward to meeting the CNPS community and I'll see you around the school.

Hello, My name is Carmel I have recently made the move from North-West Tasmania to Melbourne and I am very excited to be teaching Grade 1C here at Coburg North. I have had 2 years teaching experiences in a very small school in rural Tasmania, so I am looking forwards to being in a bigger school. I would like to say thank you to everyone I have meet at CNPS for being so warm and welcoming and I look forward to meeting more of the community as the year progresses.

Hi, my name's Zoe and I'm one of the new Foundation teachers. I absolutely love my job and have been teaching for 10 years. I grew up in Albury, but have lived and worked in Melbourne, as well as in Vietnam and the UK. The last school I was at was Footscray Primary where I also taught Foundation. My favourite year level! I loved meeting my beautiful class this week and feel so happy to be a part of such a great school and community. Looking forward to meeting more of you over the term.
Ciao a tutti!
Mi chiamo **Sarah**. Sono una maestra nuova d'italiano a Coburg North PS! Il venerdì' insengo l'italiano.
Ho cominciato ad imparare la lingua italiana all'età di cinque anni – quando frequentavo a scuola elementare come voi. Sì, erano molti anni fa! La mia passione per la lingua italiana e la cultura italiana ha continuato negli anni di scuola superiore, e poi, dopo, ho ottenuto una specializzazione breve nella lingua italiana (Grad. Dip in Humanities and Social Sciences – Italian) e anche una specializzazione breve nella pedagogia primaria (Grad. Dip in education – Primary). Sì’, mi piace molto studiare!
Ho visitato la bell'Italia tre volte; la più recente vacanza li e' stata con la mia famiglia nell'anno 2014. Bellissima!
Non vedo l'ora di incontrarvi nelle settimane imminenti!
Saluti,
Sarah
Taormina, Sicilia. Abbiamo mangiato i gelati ogni giorno!
This photo was taken in Taormina, Sicily. We ate gelati every day during our six-week holiday. Yum!
Hello everyone,
Did you recognise any Italian words in my Italian piece above?
My name is Sarah. I am a new Italian teacher at Coburg North PS. I am teaching Italian on Fridays.
I began learning Italian when I was 5 years old – when I was at Primary School like you. Yes, that’s a long time ago now! My passion for the Italian language and culture continued into my secondary school years and, much later, I completed a Graduate Diploma in Humanities and Social Sciences – Italian and also a Graduate Diploma in Education – Primary. You can tell I also love studying!
I have visited ‘beautiful Italy’ three times; the most recent holiday there was with my family in 2014. So beautiful!
I’m looking forward to meeting you in the coming weeks.
Bye for now,
Sarah

**KEEPING IN TOUCH**
It is important that families receive up to date information about school events. There are several ways to keep up with things.
- School Website – coburg.north.ps@edumail.vic.gov.au
- Newsletter – this is available on the website and you can register on the website for email delivery of the newsletter each week.
- Mid-week reminders – if you are registered to receive the newsletter you will also receive these.
- School Facebook page
PARENTS & FRIENDS MEETING - MONDAY 8TH FEBRUARY

Parents & Friends will be holding its first meeting of the year after assembly on Monday morning 8th Feb – please meet in the amphitheatre.

Please come along – we would love to have as many members as possible – or even if you just wanted to find out how you can become more involved at the school.

For those of you who are new to the school this year, Parents and Friends is a group of parents who use their skills and time to contribute to the school. Our aim is to both raise money for the school while also building a cohesive and engaged school community

Some of last year’s activities included a Bush Dance, which was a lot of fun, as well as monthly vegetarian food days, which were run from the canteen and exposed students to the tastes and traditions of other cultures.

Our first end of month lunch is on the 26th Feb and we are keen to get lots of new faces on board to help prepare and serve food.

A craft sub-committee worked throughout last year to create all the beautiful items sold at our mother’s and father’s day and Christmas stalls – and will be looking to do the same this year.

Parents & Friends also run a barbeque at the school’s Twilight Sports and a Bunnings barbeque. We train students in the art of mini-pancake-making for the Farmers Market stall so they can help out when it is their class’s turn.

We also organise a social catch-up each term, which is a chance for parents and students to get to know one another away from the school yard. The first one for the year in pencilled in for Friday, March 4. Keep an eye on the newsletter for more details.

Looking forward to seeing you all on Monday.

If you have any questions or cannot attend Monday and had some ideas to contribute, please email cnps_pf@hotmail.com or have a chat to Tamara (Ada and Camille’s mum), Meredith (Logan and Holly’s mum) or Jackie (Charlie’s mum) in the schoolyard.

HOAX PHONE CALLS TO VICTORIAN SCHOOLS

Dear Parent,

I am writing to reassure you in light of the recent hoax threatening phone calls to Victorian schools in the last few days.

Our school has not received such a call but I wanted to inform you that, like all schools, we have an emergency management plan in place for situations like this, and we practise it throughout the year.

Those schools which did receive a threatening call enacted their emergency management plans and they worked well.

The safety and wellbeing of our students is always our top priority.

If you have any questions please contact me.

Kind Regards,
Helen Zull
WATERING ROSTER
We would also like to thank the families who were part of the watering roster during the school holidays. All of our plants are still alive and looking very healthy. Thank you to Maggie for organising this.

IF YOU HAVE A PROBLEM OR CONCERN
There will be times when parents need to talk to somebody about their child. The school has a process that parents need to follow in these situations. The first person you need to see is the classroom teacher. If a solution is not found to your concern the area coordinator is then involved following that the Assistant Principal Kyla Mamic or the Principal Helen Zull.
Area Coordinators are:
Foundation – Zoe Polkinghorne room 9
Grades 1/2 - Courtney Jory room 6
Grades 3/4 - Simon Presljak room 3
Grades 5/6 – Tim Prendergast room12

EXTRA CURRICULAR ACTIVITIES
Coburg North runs a Clubs program at lunchtimes. I have included a list of these clubs in the newsletter so you can encourage your child to attend.

STAFF CARPARKS
I would like to highlight some sections of our Parent handbook that was distributed to all new families and is available on the website. Car parking is an issue for everyone at Coburg North as our school grows. Parents have been using the Bishop Street staff car park in the morning and consequently some staff have to park in the street. Before and after school parents are using the visitor car park at the front of the school whilst other families are walking through it. Please refrain from using this car park. Thank you for your cooperation.
SCHOOL CAPTAINS
Congratulations to our news school captains for 2016. The new captains are Anthony and Amelia and the vice-captains are Yathrib and Aaron. I am confident that these students will fulfill these roles to the very best of their ability. The other school leaders will be announced on Monday.

WORKS OVER THE HOLIDAYS
Over the holidays there were some works happening at school. Radiant heaters were installed in the hall so we will all be cosy during the coming winter. Four new drinking fountains were installed to replace the old troughs and bubblers. The renovations to the old boiler room and the extension to the After School Care Program were commenced.

SECONDHAND UNIFORM STALL
On Monday 15th February from 8.45 to 9.45am (with a break for assembly), a secondhand uniform stall will be held in the hall. All items $2. You can donate any clean used items of uniform by leaving them in the office.

DAILY COMMUNICATION
Daily communication with the school for messages to students and teachers should be done via a phone call or message bank on 9354 1660 to ensure they are received. Please DO NOT send emails.

ATTENTION ALL PARENTS
The Camps, Sports and Excursions Fund (CSEF) has changed to a term one application process and payment cycle from 2016. Applications for the CSEF program will open from the commencement of term one, 2016, helping to ensure that all eligible students are able to participate in school trips and sporting activities.
Families holding a valid means-tested concession card are eligible to apply. A special consideration category also exists.
A payment of $125 for eligible primary school students will be paid directly to the school to be used towards camps, sports and excursion costs for the benefit of the student. CSEF payments to schools will commence from 1st March 2016 onwards. Regular payment runs will occur throughout terms one and two.
Application forms can be found on our website (on the ‘parent’ page) or via the office.

or phone the CSEF Helpdesk on 1800 060 97
As we begin the school year, a reminder that all students must wear school sun hats in terms 1 and 4. Coburg North Primary School is a registered SunSmart school committed to ensuring both students and staff are protected from too much UV rays which can cause skin and eye damage and skin cancer. Our school uniform includes protective clothing and sun hats, and we also provide shady spaces for students to access.

But we need your help. As a school we will be implementing strategies that help to remind students to apply sunscreen before going outdoors. Please help support our initiative by:

- Supplying your child with SPF30 or higher, broad-spectrum, water-resistant sunscreen for use at school
- Talking to your child about the importance of sunscreen use
- Ensuring your child knows how to apply sunscreen independently and has had some practise so that they can apply it safely at school
- Being a SunSmart role model at home with sunscreen, hats, clothing, shade and sunglasses.

For more information about being SunSmart please visit [www.sunsmart.com.au](http://www.sunsmart.com.au).

School Council Elections – Information for Parents

School Council Elections 2016

What is a school council and what does it do?
All government schools in Victoria have a school council. They are legally constituted bodies that are given powers to set the key directions of a school within state-wide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?
For most school councils, there are three possible categories of membership:

A mandated elected Parent category – more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child’s school as long as they are not engaged in work at the school.

A mandated elected DET employee category – members of this category may make up no more than one-third of the total membership of school council. The principal of the school is automatically one of these members.

An optional Community member category – members are co-opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual school council elections.
Why is Parent membership so important?
Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

How can you become involved?
The most obvious way is to vote in the elections, which are held in Term 1 each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.
In view of this, you might seriously consider:

- standing for election as a member of the school council
- encouraging another person to stand for election.

What do I need to do to stand for election?
The principal will issue a Notice of Election and Call for Nominations following the commencement of Term 1 each year. All school council elections must be completed by the end of March unless the usual time line has been varied by the Minister.
If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.
DET employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the school council at that school.
Once the nomination form is completed, return it to the principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.
Generally, if there are more nominations received than there are vacancies on council, a ballot will be conducted during the two weeks after the call for nominations has closed.

Do I need special experience to be on school council?
No. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.
Remember

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to council this year
- Be sure to vote in the elections.
