PARENT SURVEY
Thank you to all the selected parents who completed and returned their survey. For those parents still to return their survey, we will accept surveys up until Wednesday 3rd of August.

PEER SUPPORT UPDATE:
The first 2 sessions have been completed and all participants are enjoying the activities, especially as they are led by the Year 5 and 6 students. This coming Tuesday is:

Session 3 - Including others
Our session this week in Stronger Together - our Peer Support module for our students, considers the relationships that students develop and how they can change over time. It looks at the role they play in contributing to these relationships and how the use of power, trust and honesty can change a relationship. Parents of participating students might like to talk about the different relationships that you have or their relationships with family and other friends outside school.

Remember to ask your child about the activity sheets they bring home each Tuesday.

UNIFORM REMINDER
Over the last few weeks, it has been noticed that a number of students are attending school wearing non-uniform items. These items include scarves and brightly coloured beanies due to the colder weather. Scarves are not permitted due to OHS issues. Beanies are permitted however they need to be in school colours.
To help reduce the incidence of head lice. We also ask that all boys and girls with collar length or longer hair have their hair tied back. Jewellery should also be limited to a watch and sleeper or stud earrings.
Staff appreciate that at times wearing non-uniform items is unavoidable due to personal circumstance and ask to be informed via note if this is the case. If your child requires new uniform items, these can be ordered via the school office. Please find a link to the order form below.

SECONDHAND UNIFORM STALL - MONDAY 1ST AUGUST
On Monday 1st August from 8.45 to 9.30 am (with a break for assembly), a second hand uniform stall will be held in the hall. All items $2.
You can donate any clean used items of uniform by taking them to the office.

PEDdle YOUR WARES! STALLholders WANTED
Do you (or does someone you know) make great stuff? We'd love a bunch of colourful stalls to help brighten up the school's Make.Noise Festival on Saturday October 15th. For information about how to apply for a stall see the festival's website (https://makenoisefestival.wordpress.com) or contact parent Erika Vella at the following address: makenoisefestival@gmail.com

MISSING FOOTY CARDS
Last week, Michael in 2A had his football card folder and cards taken from 2A’s basket during lunch time. As you can imagine Michael is quite upset about this and would like to have his football cards returned as soon as possible. Michael's folder is similar to the one pictured.
If you have accidently picked them up or know where they are, could you either return them directly to Michael or to his class teacher Courtney.

MISSING FOOTY CARDS
On Friday the 5th of August, we are raising money for 'Jeans for Genes' day. You can wear your favourite jeans or a denim outfit on this day. Please bring a gold coin donation.
Children’s Medical Research Institute is dedicated to finding ways to treat or prevent childhood cancer, epilepsy, birth defects and genetic diseases in order to create brighter futures for all children including those who are with us today & those yet to come in to this world.
Many major advances in children's health have resulted from medical research including the demise of previously fatal illness like polio, smallpox & diphtheria so, together, we really can make a difference & give kids around the world the opportunity for a healthy start to life.
For more information, please visit www.cmri.org.au

EVERY SATURDAY
8am - 1pm
180 O'Hea Street, Coburg North PS

FARMERS’ MARKET, JULY 9
Many thanks to the parents of 1B - and others - who helped at the Parents and Friends’ stall at the Farmers’ Market on July 9, the final weekend of the school holidays.
Thank you to Liz and Emma, Ben, Susie and Pete with Marieanne and her younger brother, Tamara and Camille, Helen and Luca, Tim and Dina and Hameed with Sarah.
The stall raised more vital funds to go towards school projects.
Apologies to anyone who may have been forgotten. Your help is, as always, much appreciated. The next market with a school stall will be on August 13.

Take one egg …
Thanks to the parents who’ve submitted recipes to go into the school cookbook to be sold at the Fathers’ Day Fundraising Stall.
But we need more!
Teachers and other staff, too, are encouraged to contribute.
Please send in your favourite recipes which are reasonably easy, that is, with not too many steps involved. Recipes will be divided roughly into the categories: Healthy Stuff, Family Dinners, For Dads On the Barbecue, Party Time and Desserts/Sweet Stuff.

Please email your recipes to Mike Bruce at mikeandsylv@gmail.com, including your name, your children and their grade.

The stall is also still seeking “donations” of clean, empty tins cans to help with a couple of the projects. If you have any, either email Mike or call on 0403 920189.

eSmart parent tip of the week:

Parental Controls and Filtering Software

Parental controls are available for most devices, either through pre-installed settings that can be activated yourself on a device, or via the installation of free or commercial software.

What are parental controls?
Parental control tools help parents monitor and limit what their children do online. There are many tools available and they all offer different functions, with some even allowing parents to limit the time children spend on specific websites or games. No tool is 100 per cent effective at blocking access to inappropriate content. They are a good tool to encourage communication with children about their online activities. Currently there are more effective tools for use with PCs and Macs than with mobile, tablet devices and game consoles. Additional parental supervision is required with these.

What do parental controls do?
Every parental control tool is different. Most tools:
- can block children from accessing specific websites, protocols or applications
- filter different kinds of content, like sexual content
- allow parents to monitor use with reports on sites accessed, the length of time and frequency of access
- can be used to set time limits, blocking access after a set time — handy if you are not home and want to limit the time your child spends on a game or social media
- allow parents to change the tool settings to reflect each child’s age and skills.

Do parental controls block all bad stuff?
It is essential to note that no parental control tool is 100 per cent effective. It is important to understand the nature of devices that children are using, and also talk to them about staying safe online and being aware of the behaviours of themselves and others.

Parental control tools tend to be better at blocking ‘adult’ or sexual content than other types of harmful content, such as content that may promote self-harm, eating disorders, violence, drugs, gambling, racism and terrorism. Parental control tools have difficulty filtering content within social media sites and messaging services, including video messaging services like Skype.

Filtering Software
There is a wide range of filtering software products available for download or purchase on the market. Some available features of these products include:
- customisable content filtering on web browsing
- multiple profiles
- setting internet usage time limits
- activity monitoring
- remote access to software
- multi-device, browser and operating system applicability
- white and black listing of websites
- social network monitoring
- GPS location monitoring
- invisible mode
- contacts monitoring
- email/SMS alerts
- apps blocking
- calls/SMS monitoring

Some of the filtering products available on the Australian market include:
- Qustodio
- Norton Family
- NetNanny
CALLING ALL COBURG DADS! The next Coburg Dads Night Out will be held on Friday August 19th, from 7pm (or earlier for the enthusiasts) at the Post Office Hotel (229-231 Sydney Rd, Coburg). After the burgeoning numbers from our event held in July, we’ve managed to get a great deal of $25 per head (includes one main meal and a pot of what else but Coburg lager!). Meals will be served from 7pm. For those of you who would like to RSVP, and peruse/order from the meal options (which will assist prompt service on the night), please visit the Coburg Dads Night Out Facebook event page https://www.facebook.com/events/1637586703223979/

Don’t forget to RSVP before Friday August 12th to ensure you don’t miss a spot on our tables (non CNPS Dads also welcome!)

Also, for those who are feeling charitable on the night, there will be a gold coin donation collection, which will be directed to supporting an appropriate Coburg North Primary School initiative.

And while you’re at it please like our Coburg Dads Night Out Facebook page, to keep up with future events, happenings and dad-related discussions - https://www.facebook.com/Coburg-Dads-Night-Out-633777540111727/#

For any additional information regarding this event, please contact CNPS Dad Jason Hoffman, on jasonhoffmann11@gmail.com
Newlands Comedy Gala IV

A stunning lineup featuring:
Tony Martin * Sammy J * Candy B * Luke McGregor * Lauren Duong

Hosted by Nelly Thomas

The hottest comedy event northside rolls around again, with Nelly Thomas at the helm of a whole new set of stellar performers.

As well as the stars on stage, there will be our traditional Monster Auction, a bar full of beverages to quench your thirst and, for the first time, delicious home-made offerings to stave off your hunger.

Book your tickets now at

https://www.trybooking.com/MESR

Friday August 12, 2016

Doors open 7.00pm for a 7.30pm show.

Strictly 18+.

Preston City Hall 284 Gower Street, Preston (cnr High Street)

Tickets $35-$40 full / $25 concession

Tickets at round tables on the ground floor: $40 - book a table with your friends!

Tickets in the balcony, theatre-style seating*: $35 - great with a couple of mates!

The Talk Live

In this highly acclaimed presentation based on Nelly’s ground-breaking DVD The Talk and live shows - The No Means No Show & the Condom Dialogues - Nelly talks to parents about how to talk to kids about bodies, puberty, relationships and everything else to do with the birds and the bees and what’s below the knees.

✓ Tips and tricks for getting the conversation happening
✓ What to talk about and at what age
✓ Follow-up resources for parents

Parent Event– no kids please!
