GRADE 5/6 CAMP, 2017 – CANBERRA INFORMATION

In 2017, the grade 5-6 camp will be an exploration of Canberra – our Nation’s Capital. The 5 day camp will be held early in Term 1 next year, dates to be confirmed. The cost of the camp includes bus travel, entrance to all tour venues and exhibits, evening activities, accommodation and food. The estimated cost is approximately $600 - $620. This cost is based on 40 participants and the actual cost will vary depending on the exact number of students attending. We will also attempt to conduct some fundraising events throughout the remaining half of 2016 to bring the cost down for all students.

Please find a link to the presentation used at the information night and camp deposit form. Families have until Friday the 26th of August to express their interest by paying a deposit for their child.

OSHC PARKING

If you are dropping children at the Before School Program after 8am, you will need to park in the street. After this time the car park is for staff use only. We thank you for your co-operation.

The program is currently undergoing some maintenance and we are in need of a plasterer and handyman for some small jobs. It would be greatly appreciated if anyone can assist us with some names. Thank you.

PEER SUPPORT UPDATE

This week, we completed our 4th session which signals half way through the program. This coming Tuesday’s session can be read about below:

Session 5 - Know your rights

Our Peer Support session in Stronger Together this week looks closely at the rights of each individual in relation to bullying and harassment. It looks at a range of techniques to support those being bullied and encourages them and the bystanders to take action. Parents of participating students could talk with their child about what they would do if it happened to them.

FISH ‘N’ CHIP LUNCH – THANK YOU!

A huge thank you to Theo and his team at ‘Blu’ by Australian Seafood Group on Gaffney Street, Coburg for donating lunch to Grade 5/6A and 1C. These classes were our winners of our School App Competition. The kids certainly enjoyed their lunch which was well deserved after all their hard work. If you still don’t have the school app simply visit the App Store for iPhones or Google Play for Androids, search for Updat-ed and from the menu select our school.
MATHS FAMILY NIGHT
Thank you to so many families for responding so very quickly to this evening event. Our 5:30pm session is filling quickly and there are only 20 places left - so please return your forms asap. There is less demand for the 7pm session, so please consider this time when completing your form. Your child should have received the 'entry ticket' for the evening. Please bring this along on the night, along with your gold coin donation.

Thanking you
CNPS Maths Curriculum Team

MAKE NOISE FESTIVAL CRAFT STALLHOLDER
Just a gentle reminder to send in your application forms for a craft stall at the Make. Noise Festival which is being held on October 15th. Application forms can be found on the Make. Noise website https://makenoisefestival.wordpress.com/
If you have any questions please email Erika at makenoisefestival@gmail.com

MAKE.NOISE FESTIVAL - HELP US BOMBARD SOCIAL MEDIA
The Make.Noise Festival is scheduled for the 15th October and we want to generate as much excitement about the festival as possible. The more people at the festival the more money we generate for the school. But we need your help.
The festival has both a website and a facebook page and we need your help sharing content.

Step 1: Like the Facebook page: https://www.facebook.com/makenoisefestival
Step 2: Follow the website: https://makenoisefestival.wordpress.com/
Step 3: Like and Share all our posts
Step 4: Share our event on Facebook: https://www.facebook.com/events/1142381909159551/

All posts on the website will also appear on Facebook so sharing there is easy. To share posts on other social media you will find all the links/ icons you need at the bottom of each of the website posts.

Together we can make this a fantastic event!

Italiano a CNPS
Pizza – che buono!

This week in Italian Club we had fun in the kitchen cooking pizza margherita. Last week we made and froze the bases and this week we topped the pizza with passata e formaggio, cooked them and then ate them for pranzo (lunch).

To see more photos and find out what else we have been doing italiano - visit our Italiano blog: http://cnpsitaliano.weebly.com/questa-settimana.html

'A presto,
Signora Jackie
THE GREAT BOOK SWAP 2016 – READING GIVES YOU POWER!

This year, Coburg North Primary School has decided to participate in The Great Book Swap to support Indigenous Literacy. The Great Book Swap challenge is not only a second hand book sale, but it is also a fundraising event where students share their common love of books while raising money to support Indigenous Literacy.

In order for this event to be successful, we will need a sufficient amount of pre-loved and pre-owned books. Any and all donations are welcome; however, please keep in mind that books being donated must be age appropriate.

Books must be donated to the school in advance of the swap. Collections will begin next week in Week 6 (Monday 15th of August- Friday 19th of August). There will be a drop off box in the office labelled “Great Book Swap”, or alternatively you can bring your books to Stephanie in Room 1. The swap will occur in Stephanie’s room on Wednesday and Thursday in week 7, before school (from 8.45am only) 1st half of lunch, and after school on both days.

Students are asked to give a gold coin in exchange for the right to choose a book. Please note that a gold coin donation entitles the student to select ONE book only. Students are able to select more than one book if desired; however, this will mean a gold coin donation per book.

If you do not have a book to donate but would still like to donate to the cause, please see Deb in the office.

The Great Book Swap is an amazing event to participate in as it celebrates books and reading and raises much needed funds for kids in remote Indigenous communities, who don’t have access to books. All money raised from this event will be donated to the Indigenous Literacy Foundation (ILF).

Thank you in advance for supporting such a great cause! We look forward to your book donations 😊

Stephanie, Anna and JSC representatives
**eSmart parent tip of the week:**

**Parental Controls: Online Devices**

Parent controls can be set for almost all devices that connect to the internet. This ranges from tablets, gaming consoles, smart phones and streaming services, such as Netflix and YouTube. For more information and ideas on how these devices and services could be managed in your household please click on the relevant link below.

**Computers, Tablets and Smart Phones**

**Gaming Devices**

**Web Browsers**

**Streaming Services**

Further to this, most internet service providers offer a service that filters the content available via your connection. For more information on this contact your internet service provider directly.
FAMILIES FOR CHILDREN

Last Christmas break you may remember Senti, Zyana and their family went to Tamil Nadu in southern India to visit a very special place called Families for Children. With the help of many of our Coburg North families they were able to raise over $4000.

The goal was to buy an adaptable swing (that can be reclined to hold children of all abilities) however due to the generosity of others and being able to make and sell various jams and relishes they were able to buy two, one for toddlers and another for larger children.

The playground was not a safe playing area and the equipment was old and rusted. These swings have finally been put in place after building a new, undercover play space. The children are now able to experience the sensation of swinging and are enjoying every moment.

The money raised was also used to buy material for school uniforms, school fees, books in Tamil language, ceiling fans, gardening tools and a cricket bat. The kids also enjoyed playing with the many AFL footballs which they had never seen before. You can imagine the giggles with the unpredictable, uncontrollable bounces and kicks.

Thanks so much for your support with helping these kids enjoy one of life's most simple pleasures.
