LABOUR DAY HOLIDAY 9TH MARCH - NO SCHOOL!

SCHOOL CROSSINGS
We have been informed by the Senior Urban Safety Officer from Moreland City Council that he will be attending different school locations on a daily basis and issuing local laws penalty notices that offenders will be receiving via Australia Post in addition to the patrols already conducted by Local Laws Officers from Moreland Council in and around school areas. The focus will be parking offences in or near to school crossings.

FOUNDATION HOME READING AND BARBECUE:

Last night, the Foundation Team held our Home Reading Information Night and Family Barbecue. All parents received their child’s reader bag containing the Oxford Word list and ideas for helping with reading at home. There was a great turn out and we appreciate the effort that parents made to attend.

Special thanks to the Parents and Friends team for putting on a wonderful barbecue- your efforts are greatly appreciated. Also thanks to the Arena family at the O’Hea Street Bakery for providing the bread for the sausages and burgers.

Foundation Team
CHOOK SITTING:
Over the Christmas break, the Furness family kindly looked after the school chickens for us. We are hoping a kind family will be able to assist us to look after our girls over the Term 1 break. Food will be provided and you get to enjoy free range eggs. If you have a safe enclosure and would like to test out chickens as pets, please come and see Marianne. Your help will be greatly appreciated.

PEER ACTIVITY LEADERS
This week we commenced our new Peer Activity Leader sessions at lunchtimes. Three of our grade 6 students have been appointed as Peer Activity Leaders to provide activities for small groups of students at lunchtime. The goal of this leadership role is to build the leadership capacity of these students. This week Oliver with the assistance of Severin took a paper plane making group of grade 2 students, Metin with the assistance of Nikoletta taught some grade 3 students to play ‘Flagged’ and Max with the assistance of Sayo played ‘Circle Dodge Ball’ with a group of grade 2 students. The Leaders and their assistants did a fabulous job and all the younger students seemed to really enjoy the activities. They will repeat the activities with different groups of students for two more weeks endeavoring to improve their delivery each week. Every three weeks they will offer a new activity.
Metin is a rubix cube champion and was hoping to run a rubix cube group. If you have a cube at home you do not want any more we would love to have it at school.

RCH APPEAL
Next Tuesday envelopes for donations to the Royal Children’s Hospital Appeal will be sent home with your child. Anybody wishing to donate should return these to school before Friday 20th March. Receipts will be issued.
TWILIGHT SPORTS

Thursday 19th March
Time: 5pm sharp
Where: School Oval

Join us for this great family event. Grab your picnic rug, chairs, picnic basket or indulge in our BBQ. Your children would love to show you their skills in the sprint races, as well as the relay events – where the real fun starts. Don’t think the adults will miss out. There are events for everyone, preschool, school age and adults.
To make this a really memorable event we need every family’s support.
See you there!!!(!!!)
P.S. remember the video camera and your runners!

FUNDRAISING NEWS

Thursday 19th March is Twilight Sports night and Parents & Friends are running a BBQ.
We need volunteers to help with preparation, cooking or cleaning. Please contact Kalissa if you are able to help out at k.alexeyeff@unimelb.edu.au. Any donations of unopened tomato or BBQ sauce or bottled water would be much appreciated and can be left in the school office.

Come along dressed in you team colours!
Coburg North Primary is going solar! But we need your help!

The independent energy experts at Positive Charge have secured a grant for CNPS toward installing solar panels on the school. This will help us reduce our costs and make a positive difference to the environment.

But we need YOUR help fundraising for the rest! The good news is that you can help whilst also saving money and making a positive difference! By switching to Powershop through the Positive Power campaign and letting the Positive Charge team know that you want CNPS to benefit the school will get $50. They will get this for each household that does, so you can tell your friends and family too! Each panel is worth around $400, which means for every four households that switch we get another panel!

Powershop was ranked Australia’s Greenest energy company by Greenpeace Australia and the Essential Services Commission October 2014 report said “the lowest overall prices were most commonly available from Powershop”. This includes offsets for all your carbon emissions at no extra cost to you! They have no lock in contracts or exit fees (If your current retailer does slug you, they will pay the fee – up to $75).

Families and friends can also sponsor a panel for $400. So please spread the word – get your family and friends to switch and why not sponsor or get a group together to sponsor a panel as well? For more visit http://www.positivecharge.com.au/products/100-green-positive-power-moreland or call 9385 8555

PINK SHIRT DAY SUCCESS
Thank you to everyone who wore their pink shirts last Wednesday (the 25th February), to stand up against bullying.

It was wonderful to see so many students, of all ages and grade levels showing their support and understanding of such an important issue. We would also like to say a massive thank you to all teachers who not only showed their support, but initiated meaningful discussions within their grades about these issues. We were lucky enough to have Oliver Leslie Collier share a reflection from his learning journal with us at assembly on Monday morning that truly encapsulated exactly what Pink Shirt Day is all about!

Please read below for Oliver’s reflection on Pink Shirt Day:

You wear Pink on anti-bullying day because boys don’t generally wear pink and bullies pick on people that are different. So if we all wear pink we show we’re not afraid to be different and that it’s okay to be different.

Courtney Jory and Sarah Jackon
(JSC Coordinators)
INTERSCHOOL SPORT

BAT TENNIS
On Friday, the 27th February, 2015, we played a game of bat tennis against Moreland Primary School. The girls scores were 31-26, we won. The boys scores were 41-37, we also won. There were many close games and we all improved tremendously. I would like to thank Mrs Evans for coaching us.
Jack

SOFTBALL INTER-SCHOOL SPORT ROUND 1
On Friday the 20th of February our softball team played against St. Bernard’s Primary School. We went down to McDonald reserve and played non-stop for three hours!

The girls’ team played first with Artemis leading as team captain. The girls played a good game with a total of eight people home. St Bernard’s played very well and managed to get nine people home. It was a very close game!

Our mixed team was led by Oliver and everybody played well. Unfortunately our first three players were caught out and we did not make any runs in the successive games. We learnt a lot from watching St Bernard’s play and we will continue to practice together and better our softball skills.

SOFTBALL INTER-SCHOOL SPORT ROUND 2
On Friday the 27th of February we played softball against Moreland Primary school. It was a home game and everyone played really well. Oliver captained the mixed team and we made 13 runs over three innings. It was a really close game. Metin took a brilliant catch in out-field and caught Moreland out on their first bat, and Fionn played a fantastic game making four home runs! Unfortunately Moreland Primary caught up and made 15 runs. We didn’t win but it was a really exciting and enjoyable game.

The girls’ softball team was led by Amy (who is an excellent pitcher!) The girls’ team was a couple of people short so Oliver stepped in to help us as well as Jamelia from Moreland Primary. The girls made five home runs but unfortunately Moreland got ahead with eight runs. Alex and Sylvie were great back-stops, they were both attentive and quick on their Feet, and Amelia flew around the diamond and made two home runs.
IT'S BOOKCLUB TIME

At Coburg North P.S. Book Club is offered 4 times a year – once each term. It is a great opportunity for children to buy competitively priced books and for the school to receive Reward Points which we use to buy books for our Library.

Brochures have been distributed this week. The brochures have a new look and there is only one brochure per child. The range of each category (eg Lucky, Wombat etc) has been expanded and the Extra brochure is also included, so each child is being offered a similar variety of items compared to our old multi-brochure approach.

If you wish to buy, please read the payment options on the order forms carefully. If paying by cash, correct money would be appreciated, and needs to be well sealed (zip lock bags are great).

Orders are to be handed to your child’s classroom teacher and are due back by **TUESDAY 10th March. No late orders can be accepted.** Orders usually take about two weeks from the due date to be filled and will be distributed to your child in their classroom.

MUSIC NEWS

Thanks to all the students who performed at the Sydney Rd Street Party on Sunday, and the parents who attended. Now that the performance is over, Choir rehearsals, which were disrupted a bit in the last few weeks start again.

Junior Choir (grades prep-3) meets at lunchtime on Tuesdays and the Performance Choir (grades 4-6) at lunchtime on Thursdays. Anyone is welcome.

I am continuing to collect names for our Parent Community Choir. We have about 10 at the moment which is great. I have decided to start in Term 2, so the first rehearsal will be on Tuesday 14th April in the Music Room at 7.00pm

If you’re interested contact me at sharpe.stephen.s@edumail.vic.gov.edu
Stephen

**2015 TWILIGHT SPORTS IS A ZERO WASTE EVENT**

As part of Coburg North Primary School's commitment to reducing waste, this event will be zero waste, just like nude food day.

Zero waste means that any landfill waste that you bring must be taken home again.

On the night we will have facilities available for composting and recycling.

Any questions, please contact Diana at dinyinbc@yahoo.ca or Lucy at lucy@lucybest.com

Thanks for supporting the school in this initiative.
SIGHT FOR SORE EYES DAY – THURSDAY 12TH MARCH

Seeing Eye Dogs Australia, a division of Vision Australia, is the only national breeder, trainer and supplier of Seeing Eye Dogs. With more than 50 years of service, Vision Australia’s Seeing Eye Dog division provides mobility dogs nationwide and free of charge. It takes a lot of time, love, patience and money to raise these special working dogs that will one day become the gift of independence for people who are blind or have low vision.

The Junior School Council at CNPS wanted nothing more than to raise some money for these special dogs. Sight for Sore Eyes Day will take place on Thursday the 12th March. This day will see students and teachers wearing some novelty sunglasses to school and making a gold coin donation toward the cause. Your sunglasses can be as wacky, silly, big or as colourful as you like, but don’t forget your loose change 😊

Gold coin donations can be made to your child’s classroom teacher on the day and any additional donations can be made through the office. By giving a donation, you can make a life changing difference to Australians who are blind or have low vision. Money raised will be invested in the Seeing Eye Dog Program to ensure the dogs are fully trained and professional.

We look forward to seeing everyone in their stylish sunnies on Thursday the 12th March!

Courtney Jory, Sarah Jackson and the JSC Representatives

TEDDY BEAR DONATION DRIVE

The Teddy Bear Hospital is a unique educational program established and actively run by volunteer medical, nursing and physiotherapy students of the University of Melbourne. The aim of the Teddy Bear Hospital is to familiarise children to health care environments and medical treatments in a fun and interactive way! By creating a positive interaction between the child and the “Teddy Bear Doctor”, the Teddy Bear Hospital hopes to overcome any fears or anxieties children may hold concerning the hospital environment and its health professionals as well as aiming to educate children in understanding how their body works in order to promote healthy behaviours including healthy eating and exercise.

Want to take our own teddy for a check-up? Feel Free!! There are plenty of fun activities at the Teddy Bear Hospital including mock medical consultations where children are able to perform teddy surgeries, take x-rays, provide physiotherapy and even visit the teddy bear ICU unit.

We are very excited to inform you that Teddy Bear Hospital will once again be an attraction at the Kids Big Day Out celebrations at the Good Friday Appeal 2015 on Friday 3rd April 2015 at the Melbourne Convention & Exhibition Centre.

How can you help?

CNPS students would love to run a teddy bear donation drive. We are looking to have families donate teddy bears to the teddy bear hospital for use in their educational programs on Good Friday. Due to health and hygiene reasons, donated teddy bears will need to be new, with tags still attached if possible. Unfortunately, any old or pre-loved teddies will not be able to be donated and will therefore, not be accepted.

If you are interested in donating a new teddy, please bring them directly to Courtney or Sarah (in rooms 7 and 8), or alternatively; hand into the office. We will begin collecting donations as soon as possible.

We look forward to seeing how many teddy bears we can donate to the Teddy Bear Hospital!

FARMER’S MARKET

Grade 3/4C will provide volunteers for the market on the 14th March. If you have a child in the class and can help please return the volunteer form to school by Monday 9th March.

We will be hosting a paper plane competition at this week’s market – check out the flyer in this newsletter. The competition is open to all. Test your skills any time from 10am of the 14th, with a mass flying at 11:30.

PARENTS & FRIENDS

Thank you to everyone who has helped out at school over the past few weeks, and also to those who have volunteered to help at the Twilight Sports and this coming week’s market. I won’t name everyone (as I will almost certainly miss someone) but if you helped make dumplings, jelly cups, honey joys or noodles, if you served a child their end of month lunch, helped make the prep BBQ a fabulous success, or made a pancake, or held a bucket at the Farmer’s Market your help was much appreciated!!!

A special thanks to Michelle Lorier who not only organised and ran the end of month lunch she also organised the fabulous spread at the prep BBQ. Thank you so much – we are very lucky to have your wonderful catering skills and expertise. For anyone who doesn’t know Michelle, she is a chef by trade and has donated upwards of 20 hours of her own time to school events in the last couple of weeks. The results have been delicious. Thank you!

A very big thank you also to the grade 3/4B volunteers for all their help at Saturday’s Farmer’s market. The kids showed excellent team work at the stall this week and many practised both their customer service and cooking skills. Thanks to: Hamish, Leila, Emma, Shay, Maddie, Amelia, Mohammed, Luca, Silvie, Ben, Veronica, Samira, Kira, Aria & Artin.

CIAO A TUTTI!

I have some very exciting news. We have been successful in our joint application with Brunswick North Primary School, to have an Italian Language Assistant at our school this year. We are very lucky as only 30 assistants arrive each year and last year only two were sent to primary schools.

Our new assistant will be arriving from Italy at the beginning of term 2. Her name is Giulia and she is currently living in Rome. Giulia will stay and help us at school until December. She will be helping me with lessons on lunedì, mercoledì and giovedì and on martedì and venerdì she will be helping out at Brunswick North Primary School.

We are looking for families in our school community who can billet Giulia (provide accommodation and meals) for the first month of her stay here in Australia, while she looks for longer term accommodation. Ideally it would be good if one family can look after her for a couple of weeks but if that it not possible we also very much appreciate offers of one week. Please contact Mrs Zull or signora Jackie if you think you can help.

Questa settimana we have been very busy nella cucina with Il club italiano (Italian club) making biscotti della nonna and a group of students in 1/2 Golden Time making mini pizze. Buonissimo!

For details and photos see the “Questa Settimana” section of our Italiano@CNPS website: http://cnpsitaliano.weebly.com/questa-settimana.html

Grazie mille,
signora Jacki
National Ride, Skate, Scoot 2 School Day
FRIDAY 13th MARCH

This date is the 1st official Ride/Skate/Scoot 2 School Day for 2015. Let’s keep the great support continuing on from last year. We are asking that students ride or walk to school, if possible, on this day. If you can’t ride all the way maybe you can use the “Part-way is okay” idea where you stop the car, a reasonable distance away from the school, and ride or walk the rest of the way. I challenge all students to see if their grade can have the highest number of students participating and be first to win the trophy for 2015!

We are asking parents to closely supervise their children whilst they ride, to ensure that they learn traffic rules and road sense. The O’Hea Street Bike Trail is a fantastic path for our children to use, although they need to be shown how to use it safely. They need to remember to keep to the left of the white line on the bike path and be aware of other riders. Always stop and check before crossing over roads at side streets and slow down and check driveways. If your child rides to school on a normal footpath they need to be shown how to respect the rights of pedestrians using the path and to know how to cross roads safely. Also, at all traffic lights and crossings they need to walk their bike, scooter or skateboard across like a pedestrian. AT ALL TIMES students, parents and younger siblings need to walk their bikes, scooters and skateboards whilst in the school grounds for safety reasons. The bike shed is located at the back of the Art room and we encourage everyone to have a lock for their bike. It is against the law to ride a bike without a helmet. We also strongly encourage all students to wear a helmet whilst riding a scooter or skateboard.

Happy Active Travelling

Lyn Evans
Our School is ResourceSmart!

This year our school is continuing to take action to become more environmentally sustainable through a Victorian Government initiative called ResourceSmart AuSSI Vic.

ResourceSmart AuSSI Vic is a program that helps our school embed sustainability in everything we do. We are aiming to reduce our resource use (like electricity and water) plus support indigenous plants and animals. This will also hopefully help us save money. We also want to involve students, families and other members of our school and local community.

In 2015, we are receiving funded support from Sustainability Victoria and DEECD and Moreland City Council.

We are working with Randy Mendez from CERES Environment Park on the actions of the Waste Module.

This year, we are aiming to continue to build on our sustainability achievements, monitor our resource use by using a free website called ResourceSmart Online, improve our gardens, improve our waste systems, get our community involved, participate in exciting events, supporting our students, including sustainability in our curriculum.

We can’t wait to share our achievements with you, see our gardens grow, reduce our school’s impact in, help make the Earth a better place for all, and contribute to a sustainable future for all.

Read more about ResourceSmart AuSSI Vic at www.resourcesmartschools.vic.gov.au/about/. (AuSSI is a national program and stands for the Australian Sustainable Schools Initiative).

Melbourne City College of Football
Junior Holiday Clinic for primary school aged students

Good morning all! The staff here at the Melbourne City College of Football hope you are having a happy and rewarding start to 2015.

Our second session for the year for Primary aged students is on Friday April 10th at 10:00AM. The session will run for 90 minutes and will give you the opportunity to explore the new facilities and learn more about the College:

To start the year we are holding a development session for primary school aged students. All are welcome and this will give you an advantage when the mid-year trials come around. This first session will be run at our home base at John Fawkner College. It will give children an opportunity to continue their football development under the guidance of the professional coaches of Melbourne City FC and give them and their parents a chance to explore the continued development of the state of the art football facility at the college.

If you are planning to attend please forward an email to Kieran McDowell (email address below) with details (Child’s name, Year Level at School, Preferred Playing Position and a Mobile Phone Number) and your child will be added to the list of registrants on the day.

Welcome to the 60's!

It's 1962 and spunky plus-size Tracy Turnblad has one big dream – to dance on the popular Corny Collins Show. When she finally gets her shot, she's transformed from social outcast to sudden star. In balancing her newfound power with her desire for justice, Tracy fights to dethrone the reigning Miss Teen Hairspray, Amber Von Tussle, and integrate a TV network in the process. With the help of her outsized mother, Edna, and guest DJ Matamouth Maybelle, the rhythm of Tracy's new beat just might prove unstoppable.

HAIRSPRAY JR., based on the film and hit stage musical of the same name – winner of 8 Tony Awards including Best Musical – has been adapted for young performers as part of the MTI Broadway Junior Collection. With energetic production numbers, HAIRSPRAY JR. is a show that celebrates diversity and brings audiences to their feet with its positive message and uproarious sense of humour.
